TRANSFORM

:20

LIIFT4

**How to combine the LIIFT4 and TRANSFORM :20 workouts:**

Begin with the first program listed in each day. Any LIIFT4 workout that is either a 50/50 or Circuit design you will ONLY be doing the weighted, lifting portion in that workout, NOT any HIIT, Burnout or Core Component. Then, supplement with the listed TRANSFORM :20 workout next. LIIFT4 Intervals you do in its entirety, stopping at the Core Component, then moving to the TRANSFORM :20 workout.

**A Note from Joel and Shaun T...**

This calendar has been created as a suggested workout schedule using the programs LIIFT4 and TRANSFORM :20. The suggested workouts in no way represents Beachbody and/or the tested results that can be achieved in following either program in its' entirety, using the Beachbody approved workout and nutrition plans.
